

# Edyta Górniak, One & One

A sky isn't always blue  
A sun doesn't always shine  
It's alright to fall apart sometimes

I am not always you  
And you are not always mine  
It's alright to fall apart sometimes

After all is said and done  
One and one still is one  
When we cry, when we laugh  
I am half, you are half

A heart isn't always true  
And I am not always fine  
We all have an angry heart sometimes

After all is said and done  
One and one still is one  
When we cry, when we laugh  
I am half, you are half

Look how far we have come  
One and one still is...

One moon, one star  
I love the one we are  
One thread, one line  
Let's stand still in time

One moon, one star  
I love the one we are  
One thread, one line  
That runs through our lives

After all is said and done  
One and one still is one  
When we cry, when we laugh  
I am half, you are half

Look how far we have come  
One and one still is one  
Still is one, still is one
