

# Edyta Górniak, Sleep With Me

My love  
I know it's late  
I shouldn't call at this hour  
But it's my fate

I know it's late  
I shouldn't call at this hour  
But it's my fate  
I need lips to devour  
My nervous system is shattered  
I won't sleep unless...  
You sleep with me tonight  
Deep with me tonight

I know it's late  
We've known each other a while  
I can't wait  
To see your twisted smile  
Kindred spirit of candle light  
I won't sleep unless...  
You sleep with me tonight  
Deep with me tonight

In my thought  
And through my silence  
I'm so touched but I thought  
You'd sleep with me tonight  
Deep with me tonight  
Baby.....

goodbye
