

# Edyta Górniak, Under Her Spell

And now you say - that you have fallen  
Under the spell of her heart  
You didn't know -  
That I'd been calling  
Nobody said - I had now warning

It isn't fair - I wasn't there  
How could I stop what she started

And now you say - that you have fallen  
Under the spell of her heart

Yes you have fallen -  
Under her spell, under her spell  
Yes you have fallen -  
Under her spell, under her spell

It's just the same - nothing changed  
Fallen away in the distance

And now you say - that you have fallen  
Under the spell of her heart  
Under the spell of her heart

Am I really hearing this  
Is this really happening
