

# eels, Kinda Fuzzy

In my heart there lives a little riddle  
I'm always trying to find my way  
Everything is older in the morning  
I'll find an answer someday

But I'm feeling kinda fuzzy  
But you know I'm alright  
I'm feeling kinda fuzzy  
But the sunshine and bright  
Don't mess with me  
I'm up for the fight

It's a tangle cob web that I weave  
The dusty room over naked mind  
Anything that keeps the sun rising  
I gotta see if I can find

But I'm feeling kinda fuzzy  
But you know I'm alright  
I'm feeling kinda fuzzy  
But the future looks bright  
Don't mess with me  
I'm up for the fight

Riding through like an outlaw drifting  
Never knowing which way to turn  
In the morning I think I got it  
It's going

For the good and open wide  
Gotta know that I'm about it  
Good god it's never dead don't never doubt it  
Yo I'm alright, I'm feeling kinda fuzzy

In my heart there lives a little riddle  
I'm always trying to find my way  
I don't know what it's gonna take me  
I only need a little break man  
I know you know that I'm a good man

But I'm feeling kinda fuzzy  
But you know I'm alright  
I'm feeling kinda fuzzy  
But the future looks bright  
Don't mess with me  
I'm up for the fight.
