

Efterklang, Monument

We turn the bed - a couple
They go to bed alone
A moving quest awaiting
We go to bed alone

Cynical cries for make-up love
Fighting best in the know
He's in the bed below me
A man possessed with guilt

I'm over it
Upset
I'm over it
Upset

Turn away, turn away, turn away love
They're covering all of the grave
Move away, move away, move away love
There's something about a prayer

Turn away, turn away, turn away ha turn away
They're covering all of the grave
Move away, move away, move away ha move away
There's something about a prayer

Turn away, turn away, turn away ha
(I'm over it)
They're covering all of the grave
Move away, move away, move away ha
(Upset)
There something about a prayer
