

# Eighteen Visions, Broken Hearted

I need a beginning again  
I want to feel how I used to feel  
When everything was in the palm of my hand  
And you were here with me  
Ya know I just don't get it ya know I really don't get it at all  
That you would leave so sudden  
Well did you know you would leave me all alone?

I think we've fallen apart I don't know where I should start. You left me here to be broken hearted.

Some days I wonder where I would be  
Cos I don't think it was wasted time  
I always thought you'd be waiting for me  
And now I'm facing the world alone  
Ya know I just don't get it ya know I really don't get it at all  
That you would leave so sudden  
Well did you know you would leave me all alone?

I think we've fallen apart I don't know where I should start. You left me here to be broken hearted.

I wonder what you are doing today  
I wonder if you could've ever changed  
I wonder if you still think of me, the way that it was, the way that it used to be

I need a beginning again  
I think we've fallen apart I don't know where I should start. You left me here to be broken hearted
