

# Eksperimentoj, Untitled

and I miss but you dont know, foregone  
tried to show but you dont care, oh no  
I have nothing you wouldnt know, oh no  
the end of games but you dont stop, oh no  
and dark wind blows

I know tears but you dont know, oh no  
cried instead of being low, oh god  
stars invite where you belong, ever in your thoughts  
empty years but you dont stop, oh no  
and dark wind blows

all thats clear  
I know its somewhere  
and I stay alive

I wouldnt know  
when you will grow  
I wouldnt know  
when you will grow

I have no one  
I have no one  
but you have it all

and I know
