

El General, Pata Pata

Sometimes I sit down and wonder, what?

What the people really want?

They need a new sound,

a new dimension, (yeah)

the latin flavor, (yeah)

come on mami&

come on mami&

come on mami&

come on mami&

Chorus

Sacutunda sachipega, dancing pata pata

sacutunda sachipega, dancing pata pata

sacutunda sachipega, dancing pata pata

sacutunda sachipega&dancing

Pata pata was the sound that made the people stand,

that's why I come to bring it to my generation:

make some stand,

make some dance,

and some of them slam.

Yes& the pata pata come to run the nation.

(Bridge repeat twice)

Mama eh ah mama eh ah ma&

Mama eh ah mama eh ah ma&

I want you to jump

I want you to bend your back and then I bend my knees.

We do the pata pata we just rock it steady
