

Electrelane, More Than This

I could feel at the time
There was no way of knowing
Fallen leaves in the night
Who can say where they're blowing?

As free as the wind
And hopefully learning
For the sea and the tide
Has no way of turning

More than this
There's nothing
More than this
Tell me one thing
More than this
Oh there's nothing

It was fun for a while
There was no way of knowing
Like a dream in the night
Who can say where we're going?

No care in the world
Maybe I'm learning
For the sea and the tide
Has no way of turning

More than this
There's nothing
More than this
Tell me one thing
More than this
Oh no, there's nothing
