

# Electric Light Orchestra, Mister Kingdom

Daylight comes to those who live  
But those who die they never see  
The sun come shining through their window pane  
They pass away.

Silly girl to be a fool  
You didn't play the golden rule  
'Cos once you're through with one world  
There's another waiting there

Chorus:

Help me such a lonely soul  
In dreams  
To leave behind the world.  
Mr. Kingdom help me please  
To find the rainbows end

Looking from this empty room  
The corridors of endless gloom  
Go crawling through the night  
To meet the dawn that's on its way.  
Oh to sleep, perchance to dream.  
To live again those joyous scenes.  
The laughter and the follies  
That are locked inside my head.

Chorus:

I can dream of flying high  
Above the city's cares and never be  
afraid of anyone

'Cos there ain't no one there

Chorus: Two Times
