

Electric Six, Lenny Kravitz

Ever since I met you, you were someone I knew
lookin for a little somethin somethin to do
you wanted one stop shoppin' and clothes that fit you
you wanted to look pretty when they're taking your picture

now you want your life to move a little bit faster
a little bit of death, a little bit of disaster
well I was doing this before you were born
the glove already fit you before it was worn

and girl, the choice is yours
I can dress you up as the devil
or I can dress you up as one of the devil's whores

oh oh oh oh oh oh
oh oh oh oh oh oh
oh oh oh oh oh oh
oh oh oh oh oh oh

calling all girls of the opposite sex
I know you just can't wait for what happens next
I got a five-step plan and a brand-new facility
the perfect habitat for testing sex ability

all you need's a credit card you're good to go
roll a little footage and feel my little flea-oh(??)
I wanna see who's living between your legs
you just can't make an omellette without breaking some eggs

and girl, what do you say?
You can dress me up like JFK
hide in the grassy knoll
and blow me away!

oh oh oh oh oh oh
oh oh oh oh oh oh
oh oh oh oh oh oh
oh oh oh oh oh oh

SOLO!

I have some money here for you, so reach in to me and grab it
And I have never understood why anybody likes Lenny Kravitz
I see no reason for this to continue
I don't have anything else to put in you
now go back home girl and do whatever it is that you do

And girl, I hate to break you the news
when you win here, you really lose
and you've been such a pleasure to use

oh oh oh oh oh oh
oh oh oh oh oh oh
oh oh oh oh oh oh
oh oh oh oh oh oh
