

Electrix Six, We Don't Care

I lost controll
of my rock 'n roll (x2)
and do you think a boy like me could have a chance with a boy like you
i like the night life
do you like the night life?
i like to party
do you like to party?
i like my body
do you like my body?
i lost controll of my rock and roll
now they're running me out of town
now they're running me all around
and do you think a boy like me could have a chance with a girl like you?
i like the night life
do you like the night life?
i like to party
do you like to party?
i like my body
do you like my body?
ugh!
