

# Elena Gheorghe, Midnight Sun

Feelin' kinda loca  
Wanna dance all night  
And maybe maybe  
I'll get you baby  
I've seen you once before  
And you're just my type  
Think I'll get lucky  
oh baby baby

Come on  
Call me bonita  
Don't be shy  
I promise to please ya  
Te quiero, Te quiero  
I'm show ya  
Come on  
Call me bonita  
Don't be shy  
I promise to please ya  
It's getting hotter  
And I'm about to be  
Your midnight sun

Got that look like you don't care  
Acting like a millionaire  
Boy you got me dancing  
Got no worries got no cares  
Doesn't trouble everywhere  
Boy you got me dancing  
Got me dancing dancing x2

All I wanna do  
It's keep you up all night  
Forget your girlfriend  
We'll keep it secret  
Boy what you got  
It's really hard to find  
You got me twisted  
Think I'm addicted

Come on  
Call me bonita  
Don't be shy  
I promise to please ya  
Te quiero, Te quiero  
I'm show ya  
Come on  
Call me bonita  
Don't be shy  
I promise to please ya  
It's getting hotter  
And I'm about to be  
Your midnight sun

Got that look like you don't care  
Acting like a millionaire  
Boy you got me dancing  
Got no worries got no cares  
Doesn't trouble everywhere  
Boy you got me dancing  
Got me dancing dancing

Got that look like you don't care  
Acting like a millionaire

Boy you got me dancing  
Got no worries got no cares  
Doesn't trouble everywhere  
Boy you got me dancing  
Got me dancing dancing
