

Ell, I'm Free (feat. Aligee)

Stay alive
Holding on to survive
After all I'm feeling alive
I'm the only one tonight
Music takes me high
Keeps on leading me to the light
Baby, baby please tell me why

You made a step into my world
I need you to see that I'm better now
Say you feel it girl
Loving you was always so hard
Loves good without you baby
It's OK to say you're a part of me
I want you to know how I feel, feel
I want you to know that I

Always be on top
I'm all you dreaming of
Freedom tastes so sweet
I'm not gonna let it go
Always be on fire
Reach the highest high
Look at me
I'm dancing on all alone tonight
Free to live and I am flying
I'm free to love, I'll keep trying

I'm free to dance
The spotlight's on me tonight
I'm free living my life

I'm free
I'm free
I'm free

Always be on top
I'm all you dreaming of
Freedom tastes so sweet
I'm not gonna let it go

Always be on fire
To reach the highest high
Look at me
I'm dancing all alone tonight
Free to live
And I'm flying
(I'm so free and I am flying)
I'm free to love
I'll keep trying
(I'm so free and I keep trying)

I'm free to dance
The spotlight's on me tonight
I'm free living my life
Free to live
And I'm flying
(I'm so free and I am flying)

I'm free to love
I'll keep trying
(I'm so free and I keep trying)

I'm free to dance

The spotlight's on me tonight
I'm free living my life
