

# Ella Fitzgerald, It's Wonderful

It's wonderful to look into your eyes  
And realize you care a little bit  
It's wonderful to know that you love me

It's glorious to feel that I'm a part of you sweetheart  
To share your happiness  
It's marvelous how lovely love can be

Who dreamed that I'd be allowed  
Through the doorway of heaven  
I'm drifting high on a cloud  
You're an angel and this is heaven

It's wonderful to have your lips divine combined with mine  
And dream forever more  
It's wonderful to know that you love me

[Instrumental interlude]

Who dreamed that I'd be allowed  
Through the doorway of heaven  
I'm drifting high, high on a cloud  
You're an angel and this is heaven

Oh, it's wonderful to have your lips divine combined with mine  
And dream forever more  
It's wonderful to know that you love me

It's glorious  
It's marvelous  
Oh darling it's wonderful
