

Ella Henderson & Tom Grennan ☐, Let's Go Home

I'd never have given you a second look
But I like the way you don't give a damn
You seem like someone I could
Pick a fight with
And dance all night with
Maybe you like me
The way I am

Even though
You got a bad tattoos
And smell like booze
I am into you
And Even though
You got that attitude
Baby I am in love*
