## Ellie Goulding, Burn

We, we dont have to worry bout nothing Cause we got the fire, and we're burning one hell of a something They, they gonna see us from outer space, outer space Light it up, like we're the stars of the human race, human race

When the lights turned down, They dont know what they heard Strike the match, play it loud, Giving love to the world We'll be raising our hands, Shining up to the sky Cause we got the fire, fire, fire, Yeah we got the fire, fire, fire

And we gonna let it burn, burn, burn, burn We gonna let it burn, burn, burn, burn Gonna let it burn, burn, burn, burn We gonna let it burn, burn, burn, burn

We dont wanna leave, no, we just gonna be right now And what we see, is everybody's on the floor acting crazy getting lurker to the lights out Music is on, im waking up, we stop the vibe, and we bump it up And it's over now, we got the love, There's no secret now, no secret now

They dont know what they heard Strike the match, play it loud, Giving love to the world We'll be raising our hands, Shining up to the sky Cause we got the fire, fire, fire, Yeah we got the fire, fire, fire

And we gonna let it burn, burn, burn, burn We gonna let it burn, burn, burn, burn Gonna let it burn, burn, burn, burn We gonna let it burn, burn, burn, burn

When the lights turned down, They dont know what they heard Strike the match, play it loud, Giving love to the world

We gonna let it burn burn burn burn Burn burn burn burn

We can light it up up up
So they cant put it out out out
We can light it up up up
So they cant put it out out out
We can light it up up up
So they cant put it out out out
We can light it up up up
So they cant put it out out out

When the lights turned down, They dont know what they heard Strike the match, play it loud, Giving love to the world We'll be raising our hands, Sining up to the sky Cause we got the fire, fire, fire, Yeah we got the fire, fire, fire, And we gonna let it burn, burn, burn, burn We gonna let it burn, burn, burn, burn Gonna let it burn, burn, burn, burn We gonna let it burn, burn, burn, burn

When the lights turned down, They dont know what they heard Strike the match, play it loud, Giving love to the world We'll be raising our hands, Shining up to the sky Cause we got the fire, fire, fire, Yeah we got the fire, fire, fire,

And we gonna let it burn
