

# Ellie Goulding, Guns And Horses

You're so quiet  
But it doesn't phase me  
You're on time  
You move so fast, makes me feel lazy  
And let's join forces  
We've got our guns and horses  
I know you've been burned by every fire is a lesson learned

I left my house  
I left my clothes  
Door wide open  
Never knowing  
You're so worthy, you are

But I wish I could feel all it for you  
I wish I could be it all for you  
If I could erase the pain  
And maybe you'd feel the same  
I'd do it all for you  
I would

Let's tie words  
'Cause they amount to nothing  
Play it down  
Pretend you can't take what you've found  
But you found me  
On a screen you sit permanently

I left my house  
I left my clothes  
Door wide open  
Never knowing  
You're so worthy, you are

But I wish I could feel all it for you  
I wish I could be it all for you  
If I could erase the pain  
And maybe you'd feel the same  
I'd do it all for you  
I would

It's time to come clean  
And make sense of everything  
It's time that we found out who we are  
Cause when I'm standing here in the dark  
I see your face in every star

But I wish I could feel all it for you  
I wish I could be it all for you  
If I could erase the pain  
And maybe you'd feel the same  
I'd do it all for you  
I would  
I'd do it all for you  
I would
