

# Ellie Goulding, I Know You Care

Aaaaa, aaaaaaaaa...

Clinging to me  
Like a last breath you would breathe  
You were like home to me  
I don't recognize this street

Aaaaa, aaaaaaaaa...

Please don't close your eyes  
Don't know where to look without them  
Outside cars speed by  
I've never heard them until now

I know you care  
I know it is always been there  
But there is trouble ahead I can feel it  
You were just saving yourself when you hide it  
Yeah I know you care, I see it in the way you stare  
As if there was trouble ahead and you knew it  
I'll be saving myself from the ruin  
And I know you care

Aaaaa, aaaaaaaaa...

I used to run down the stairs  
To the door and I thought you were there  
To shape to comfort of us  
Two lovers locked out of love  
Oh, but I know you care  
I know it is always been there  
But there is trouble ahead I can feel it  
You were just saving yourself when you hide it  
Yeah I know you care, I see it in the way you stare  
As if there was trouble ahead and you knew it  
I'll be saving myself from the ruin

I know it wasn't always wrong  
But I've never known a winter so cold  
No I don't want my hands in the cold  
But I still hope  
'Cause this is how things ought to have been  
And I know the words are there  
Wasn't all that it seemed

Why can't I dream, why can't I dream?  
Cause I know you care and I know you care  
I know you care I know you care  
I know it's always been there
