

Ellie Goulding, Under The Sheets

Like all the boys before, like all the boys, boys, boys, boys
Like all the boys before, like all the boys, boys, boys, boys

You left your blood stain on the floor
You set your sights on him
You left a hand print on the door
Like all the boys before, like all the boys before

This is our luck, baby, running out
Her clothes were never off
We still have hours to run about
To scale the map, to scale the map, to get us back on track
I've seen you in a fight you lost, I've seen you in a fight

We're under the sheets and you're killing me
In our house made of paper, your words all over me
We're under the sheets and you're killin' me

Like all the boys before, like all the boys, boys, boys, boys
Like all the boys before, like all the boys, boys, boys, boys

In here the world won't bring us down
Our plan is golden
Out there a lonely girl could drown
In here were frozen

Where did the people go?
My hands are empty
You're not the answer I should know
Like all the boys before, like all the boys before

We're under the sheets and you're killing me
In our house made of paper, your words all over me
We're under the sheets and you're killin' me

We're in a mess, baby, we're in a mess, baby
Your more is less baby
We're in a mess, baby, we're in a mess, baby
Your more is less baby

We're under the sheets and you're killing me
In our house made of paper, your words all over me
We're under the sheets and you're killin' me
Like all the boys before, like all the boys before

We're under the sheets and you're killing me
In our house made of paper, your words all over me
We're under the sheets and you're killin' me

We're under the sheets and you're killing me
In our house made of paper, your words all over me
We're under the sheets and you're killin' me
Killin' me, killin' me, killin' me
Like all the boys before, like all the boys, boys, boys, boys
Like all the boys before, like all the boys, boys, boys, boys

You left your blood stain on the floor
