

Elton John, After All (ft. Charlie Puth)

[Charlie Puth]

I lie awake and realize
That you're better than my dreams
Thought I found love so many times
'Til you showed me what it means

[Charlie Puth]

Nothing compares to you
No, baby
They were just doin' it wrong
I gave up on love until you made me believe in it after all
After all, After all

[Elton John]

If you never fell out of the sky
I don't know what I would do
I wouldn't trade one thousand lives
For the one I have with you

[Elton John]

Nothing compares to you
No, baby
They were just doin' it wrong
I gave up on love until you made me believe in it after all
After all, After all
