

# Elton John, After All (ft. Charlie Puth)

[Charlie Puth]

I lie awake and realize  
That you're better than my dreams  
Thought I found love so many times  
'Til you showed me what it means

[Charlie Puth]

Nothing compares to you  
No, baby  
They were just doin' it wrong  
I gave up on love until you made me believe in it after all  
After all, After all

[Elton John]

If you never fell out of the sky  
I don't know what I would do  
I wouldn't trade one thousand lives  
For the one I have with you

[Elton John]

Nothing compares to you  
No, baby  
They were just doin' it wrong  
I gave up on love until you made me believe in it after all  
After all, After all
