Elton John, Bennie And The Jets

Hey kids, shake it loose together
The spotlight's hitting something
That's been known to change the weather
We'll kill the fatted calf tonight
So stick around
You're gonna hear electric music
Solid walls of sound

Say, Candy and Ronnie, have you seen them yet But they're so spaced out, Bennie and the Jets Oh but they're weird and they're wonderful Oh Bennie she's really keen She's got electric boots a mohair suit You know I read it in a magazine Bennie and the Jets

Hey kids, plug into the faithless Maybe they're blinded But Bennie makes them ageless We shall survive, let us take ourselves along Where we fight our parents out in the streets To find who's right and who's wrong
