

# Elton John, Blue Wonderful

Every breath is a prayer of some kind  
I breathe in, I breathe out, I just breathe!  
And you're so well, blue wonderful  
Blue wonderful to me

Like swimming in your eyes  
I dive in, I dive deep, I just swim!  
I lose myself in you, blue wonderful  
Blue wonderful again

Don't you know where you go? - I will follow  
In your footsteps I find my own feet  
Addicted like I am to the blues  
Kind of blue of all the blues I need

Yesterday did someone else's song  
In 65 summertime, don't let go  
Long before you came, blue wonderful  
The blue wonderful I know

Ain't just something I just left behind  
In the past, far away, used to be  
But your presence, my blue wonderful  
Blue wonderful to me

Go where you want, when you want to  
Just don't let the wind take you free  
Stick around the light that brings you home  
Don't ever hang around with the breeze

Don't you know where you go? - I will follow  
In your footsteps I find my own feet  
Addicted like I am to the blues  
Kind of blue of all the blues I need

Every breath is a prayer of some kind  
I breathe in, I breathe out, I just breathe!  
And you're so well, blue wonderful  
Blue wonderful to me

Like swimming in your eyes  
I dive in, I dive deep, I just swim!  
I lose myself in you, blue wonderful  
Blue wonderful again

I lose myself in you, blue wonderful  
Blue wonderful, blue wonderful, blue wonderful  
Blue wonderful,  
Again!
