

Elton John, Don't Forget To Remember

Though my heart won't believe that you have left me
I keep telling myself that it's true
I can get over anything
You are my love
But I can't get myself over you

Don't forget to remember me
And the love that used to be
I still remember you
I love you
In my heart lies a memory
To tell the stars above
Don't forget to remember me, my love

On my wall lies a photograph of you girl
Though I tried to forget you somehow
You're the mirror of my soul
So take me out of my world
Let me try to go on living
Right now

Don't forget to remember me
And the love that used to be
I still remember you
I love you
In my heart lies a memory
To tell the stars above
Don't forget to remember me, my love
