

Elton John, Fanfare/Chloe

How come you're so understanding
When I tell you all my lies
And pretending to believe them
See through all my alibis
And I need you more than ever
And I want you till the end
Chloe
How you handle what you live through
I can never hope to learn
Taking all the pain I give you
Loving blindly in return
And I need you more than ever
I will always be your friend
Chloe
Chloe
Chloe, what you gonna do about me
Chloe, what you gonna do
What you gonna do about me
You're the lifeline that I cling to
When I feel like givin' in
When the dreams that I rely on
Start to wear a little thin
Then I need you more than ever
And I want you till the end
Chloe
Chloe
Chloe, what you gonna do about me
Chloe, what you gonna do
What you gonna do about me
Then I need you more than ever
And I want you till the end
Chloe
Chloe
Chloe, what you gonna do about me
Chloe, what you gonna do
What you gonna do about me
What you gonna do about me
