

# Elton John, Guess That's Why They Call It The B

Don't wish it away  
Don't look at it like it's forever  
Between you and me  
I could honestly say  
That things can only get better  
And while I'm away  
Dust out the demons inside  
And it won't be long  
Before you and me run  
To the place in our hearts  
Where we hide  
And I guess that's why  
They call it the blues  
Time on my hands  
Could be time spent with you  
Laughing like children  
Living like lovers  
Rolling like thunder under the covers  
And I guess that's why  
They call it the blues  
Just stare into space  
Picture my face in your hands  
Live for each second  
Without hesitation  
And never forget I'm your man  
Without me girl  
Cry in the night if it helps  
But more than ever I simply love you  
More than I love life itself  
And I guess that's why  
They call it the blues  
Time on my hands  
Could be time spent with you  
Laughing like children  
Living like lovers  
Rolling like thunder under the covers  
And I guess that's why  
They call it the blues  
Wait on me girl  
Cry in the night if it helps  
But more than ever I simply love you  
More than I love life itself  
And I guess that's why  
They call it the blues  
Time on my hands  
Could be time spent with you  
Laughing like children  
Living like lovers  
Rolling like thunder under the covers  
And I guess that's why  
They call it the blues
