

# Elton John, I've Seen That Movie Too

I can see by your eyes you must be lying  
When you think I don't have a clue  
Baby you're crazy  
If you think that you can fool me  
Because I've seen that movie too

The one where the players are acting surprised  
Saying love's just a four letter word  
Between forcing smiles, with the knives in their eyes  
Well their actions become so absurd

So keep your auditions for somebody  
Who hasn't got so much to lose  
`Cause you can tell by the lines I'm reciting  
That I've seen that movie too

It's a habit I have, I don't get pushed around  
Stop twinkling your star like you do  
I'm not the blue print for all of your B films  
Because I've seen that movie too
