## Elton John, Island Girl

I see your teeth flash, Jamaican honey so sweet Down where Lexington cross 47th Street She's a big girl, she's standing six foot three Turning tricks for the dudes in the big city

Island girl
What you wanting with the white man's world
Island girl
Black boy want you in his island world
He want to take you from the racket boss
He want to save you but the cause is lost
Island girl, island girl, island girl
Tell me what you wanting with the white man's world

She's black as coal but she burn like a fire And she wrap herself around you like a well worn tire You feel her nail scratch your back just like a rake He one more gone, he one more John who make the mistake
