

# Elton John, Kiss The Bride

Well she looked a peach in the dress she made  
When she was still her mama's little girl  
And when she walked down the aisle everybody smiled  
At her innocence and curls  
And when the preacher said is there anyone here  
Got a reason why they shouldn't wed  
I should have stuck up my hand  
I should have got up to stand  
And this is what I should have said

I wanna kiss the bride yeah!  
I wanna kiss the bride yeah!  
Long before she met him  
She was mine, mine, mine  
Don't say I do  
Say bye, bye, bye  
And let me kiss the bride yeah!

Underneath her veil I could see a tear  
Trickling down her pretty face  
And when she slipped on the ring I knew everything  
Would never be the same again  
But if the groom would have known he'd have had a fit  
About his wife and the things we did  
And what I planned to say  
Yeah on her wedding day  
Well I thought it but I kept it hid
