

# Elton John, Sing Me No Sad Songs

Music by Elton John  
Lyrics by Bernie Taupin

I know you  
You're trying to do all you can for me  
I appreciate your help  
But it's best just to leave me be

There's many things that I have done  
And I'm sorry for them now  
So darling please don't you comfort me  
I'll sort it out somehow

So sing me no sad songs, tell me no lies  
Please don't you make me blue  
Sing me no sad songs, tell me no lies  
Girl I can do without you

Don't go breaking my heart  
It would tear me apart  
'Cause then I'd be finished for good  
So sing me no sad songs, tell me no lies  
Please don't you make me blue

I don't want you to think I'm mean  
Refusing all your help  
The time has come, but my need is none  
And I want to be alone with myself

There's many things that I have done  
And I'm sorry for them now  
So darling please don't you comfort me
