

Elton John, The Bridge

(Music by Elton John, lyrics by Bernie Taupin)

I've seen the bridge and the bridge is long
And they built it high and they built it strong
Strong enough to hold the weight of time
Long enough to leave some of us behind

[Chorus:]

And every one of us has to face that day
Do you cross the bridge or do you fade away
And every one of us that ever came to play
Has to cross the bridge or fade away

Standing on the bridge looking at the waves
Seen so many jump, never seen one saved
On a distant beach your song can die
On a bitter wind, on a cruel tide

[Chorus]

And the bridge it shines
Oh cold hard iron
Saying come and risk it all
Or die trying

[Chorus]
