

Elton John, The Heart Of Every Girl

Music by Elton John
Lyrics by Bernie Taupin

The Heart Of Every Girl

In the heart of every girl
There's a woman waking up
Like sunlight spreads across the world
A smile for us is just enough
But in the heart of every girl
There's a homespun family dream
A light that's filled with so much joy
From a curly-head beauty to a teenage queen

And honeymoons in summer prove
We'll always love a bride
The gift you give us all
Is the one you hold inside
This lucky life, this crazy mixed up world
Is all because we love what lives
In the heart of every girl.

In the heart of every girl
There's always room for Valentines
And boys to kneel and tip their hands
With words as sweet as summer wine
And in the heart of every girl
There is a rose for every spring
A peach that's fragrant and divine
She shines just like a wedding ring.

And honeymoons in summer prove

Eyes can light up any room
The moment she steps in
Intoxicating everyone
A life alone should be a sin.

And honeymoons in summer prove
