

# Elton John, The Way You Look Tonight

There was a time  
I was everything and nothing all in one  
When you found me  
I was feeling like a cloud across the sun

I need to tell you  
How you light up every second of the day  
But in the moonlight  
You just shine like a beacon on the bay

And I cant explain  
But its something about the way you look tonight  
Takes my breath away  
Its that feeling I get about you, deep inside  
And I cant describe  
But its something about the way you look tonight  
Takes my breath away  
The way you look tonight

With a smile  
You pull the deepest secrets from my heart  
In all honesty  
Im speechless and I dont know where to start
