Elton John, The Way You Look Tonight

There was a time I was everything and nothing all in one When you found me I was feeling like a cloud across the sun

I need to tell you How you light up every second of the day But in the moonlight You just shine like a beacon on the bay

And I cant explain
But its something about the way you look tonight
Takes my breath away
Its that feeling I get about you, deep inside
And I cant describe
But its something about the way you look tonight
Takes my breath away
The way you look tonight

With a smile You pull the deepest secrets from my heart In all honesty Im speechless and I dont know where to start
