

# Elton John, We All Fall In Love Sometimes

Wise men say  
It looks like rain today  
It crackled on the speakers  
And trickled down the sleepy subway trains  
For heavy eyes could hardly hold us  
Aching legs that often told us  
It's all worth it  
We all fall in love sometimes

The full moon's bright  
And starlight filled the evening  
We wrote it and I played it  
Something happened it's so strange this feeling  
Naive notions that were childish  
Simple tunes that tried to hide it  
But when it comes  
We all fall in love sometimes

Did we, didn't we, should we couldn't we  
I'm not sure `cause sometimes we're so blind  
Struggling through the day  
When even your best friend says  
Don't you find  
We all fall in love sometimes

And only passing time  
Could kill the boredom we acquired  
Running with the losers for a while  
But our Empty Sky was filled with laughter  
Just before the flood  
Painting worried faces with a smile
