

Elvis Presley, A Hundred Years From Now

Well a hundred years from now I won't be crying
A hundred years from now I won't be blue
My heart will have to forget that we ever met
But I won't care a hundred years from now

I'll never forget sweetheart the night you told me
That you could Live without my love somehow
That's all in the past I knew it wouldn't last
But I won't care a hundred years from now
