Elvis Presley, A Little Less Conversation (Remix

A little less conversation, a little more action please

All this aggravation ain't satisfactioning me

A little more bite and a little less bark

A little less fight and a little more spark

Close your mouth and open up your heart

and baby satisfy me

Satisfy me baby

Baby close your eyes and listen to the music

Dig to the summer breeze

It's a groovy night and I can show you how to use it

Come along with me and put your mind at ease

A little less conversation, a little more action please

All this aggravation ain't satisfactioning me

A little more bite and a little less bark

A little less fight and a little more spark

close your mouth and open up your heart

and baby satisfy me (Satisfy me)

Satisfy me baby (Satisfy me)

Come on baby I'm tired of talking

Grab your coat and let's start walking

Come on, come on (Come on, come on)

Come on, come on (Come on, come on)

Come on, come on (Come on, come on)

Don't procrastinate, don't articulate

Girl it's getting late, you just sit and wait around

A little less conversation, a little more action please

All this aggravation ain't satisfactioning me

A little more bite and a little less bark

A little less fight and a little more spark

Close your mouth and open up your heart

and baby satisfy me (Satisfy me)

Satisfy me baby (Satisfy me)

(Satisfy me), (Satisfy me)

Come on baby I'm tired of talking

Grab your coat and let's start walking

Come on, come on (Come on, come on)

Come on, come on (Come on, come on)

Come on, come on (Come on, come on)

Don't procrastinate, don't articulate

Girl it's getting late, gettin' upset waitin' around

A little less conversation, a little more action please

All this aggravation ain't satisfactioning me

A little more bite and a little less bark

A little less fight and a little more spark

Close your mouth and open up your heart

and baby satisfy me (Satisfy me)

Satisfy me ... (Satisfy me)

(Satisfy me), (Satisfy me)
