Elvis Presley, Daddy's Little Girl

Your the end of a rainbow
My pot of gold
Your daddys little girl
To have and hold
A precious gem
is what you are
Your mommys life and shining star

Your the spirit of christmas My star on the tree Your the easter bunny To mommy and me Your sugar your spice Your everything nice And your daddys little girl

Your the end of a rainbow
My pot of gold
Your daddys little girl
To have and hold
A precious gem
is what you are
Your mommys life and shining star

Your the spirit of christmas My star on the tree Your the easter bunny To mommy and me Your sugar your spice Your everything nice And your daddys little girl
