## Elvis Presley, Got A Lot O' Livin' To Do

Oh yes I've got a lot o' living to do

A whole lot o' loving to do

Come on baby, to make a party takes two

Oh yes I've got a lot o' living to do

A whole lot o' loving to do

And there's no one

who I'd rather do it with-a than you

There's a moon that's big and bright

in the milky way tonight

But the way you act you never would know it's there

So baby, time's a wasting

A lot of kisses I ain't been tasting

I don't know about you but I'm gonna get my share

Oh got a lot o' living to do

A whole lot o' loving to do

Come on baby, to make a party takes two

Oh yes I've got a lot o' living to do

A whole lot o' loving to do

And there's no one

who I'd rather do it with-a than you

There's a balmy little breeze

That's whistling through the trees

And it's telling you to pitch a little woo with me

Why don't you take a listen

You'll never know what you've been missing

Cuddle up a little closer and be my little honey bee

Oh got a lot o' living to do

A whole lot o' loving to do

Come on baby, to make a party takes two

Oh yes I've got a lot o' living to do

A whole lot o' loving to do

And there's no one

who I'd rather do it with-a than you

You're the prettiest thing I've seen

But you treat me so doggone mean

Ain't you got no heart, I'm dying to hold you near

Why do you keep me waiting

Why don't you start co-operating

And the things I say are things you want to hear

Oh got a lot o' living to do

A whole lot o' loving to do

Come on baby, to make a party takes two

Oh yes I've got a lot o' living to do

A whole lot o' loving to do

And there's no one who

I'd rather do it with-a than you
