

# Elvis Presley, Hearts Of Stone

(words & music by Ray/Jackson)

Hearts made of stone will never brake  
'Cause your love is never there, they just don't care  
You can ask and plea, please, please, please work  
And all your love is there to stay

These hearts of stone will cause you pain  
Although you love there has stopped just the same  
You can ask and plea, please, please, please work  
And all your love is there to stay  
But they'll say no, no, no, no, no, no, no, no, no, no, no, no, no  
You daddy know, I thought I knew hearts made of stone

Hearts made of stone will never brake  
'Cause your love is never there, they just don't care  
You can ask and plea, please, please, please work  
And all your love is there to stay  
Cause they'll say no, no, no, no, no, no, no, no, no, no, no, no, no  
You daddy know, I thought I knew hearts made of stone
