Elvis Presley, How The Web Was Woven

(Westlake - Most)

How the web was woven
In my soul, don't you know
How the web was woven
Can't get loose, can't let go
Like the weave of a spider
Wound around my heart
I'm no longer free
At last I'm where you want me
Don't you know, that's where I want to be?

Spinning 'round like a blue fly Thoughts of you fill my head And no matter, oh how I try I can't sleep in my bed

I've been round for the last time Oh, girl, what can I do? Oh the time the web was woven, How I fell in love, fell in love with you
