

Elvis Presley, I Can't Help It

Today I passed you on the street
And my heart was at your feet
I can't help it if I'm still in love with you

Somebody else stood by your side
And he looked so satisfied
I can't help it if I'm still in love with you

A memory from the past came slowly stealing
As I braced your arm and walked so close to you (yeah)
Oh heaven only knows how much I miss you
I can't help it if I'm still in love with you
I can't help it if I'm still in love with you
