

Elvis Presley, I'D Hold You In My Heart

I said I'd hold, I said I'd hold,
I said I'd hold you in my heart 'till I can hold you in my arms
Like you've never been held before
Well I'll think of you each day and then I'll dream the night away
Oh, 'till you are in my arms once more
The stars up in the sky, you know they know the reason why
I feel so blue 'cause I'm away from you
Yeah I'll hold you in my heart 'till I can hold you in my arms
Oh darling please wait for me
You know the stars up in the sky, you know they know the reason why
I feel so blue 'cause I'm away, I'm away from you
Yeah I'll hold you in my heart 'till I can hold you in my arms
Oh darling please wait for me
The stars up in the sky you know they know the reason why...
I feel so blue 'cause I'm away, I'm away, I'm away, I'm away from you
I said, I said I'd hold you in my heart, heart, heart 'till I can hold you in my arms
Oh darling please wait for me
The stars up in the sky, you know they know the reason why
I, I feel so blue 'cause I'm away, I'm away from you
Yeah, I'll hold you in my heart 'till I can hold you in my arms
Oh darling please wait for me
