Elvis Presley, I Just Can't Help Believin'

I just can't help believin' When she smiles up soft and gentle With a trace of misty morning And the promise of tomorrow in her eyes I just can't help believin' When she's lying close beside me And my heart beats with the rhythm of her sighs This time the girl is gonna stay This time the girl is gonna stay For more than just a day Oh, I just can't help believin' When she slips her hand in my hand And it feels so small and helpless As my fingers fold around it like a glove I just can't help believin' When she's whispering her magic And her tears are shining honey sweet with love This time the girl is gonna stay This time the girl is gonna stay For more than just a day
