

# Elvis Presley, If You Talk In Your Sleep

(Red West - Johnny Christopher)

I know you're a lonely woman and I love you  
But someone else is waiting and he owns you  
If he should ever wake up, make sure that your story is straight love  
If you talk in your sleep don't mention my name  
And if you walk in your sleep forget where you came

Walking every night here in the shadows  
So afraid that sometime he may follow  
There's always the chance he'll find us  
I don't need to remind you  
If you talk in your sleep don't mention my name  
If you walk in your sleep forget where you came

Love is so much sweeter when it's borrowed  
I'll feel a little easier tomorrow  
Don't give our secret away, be careful what you say  
If you talk in your sleep don't mention my name  
If you walk in your sleep forget where you came

Forget where you came, now  
Forget where you came  
Don't mention my name  
Don't mention my name  
Forget where you came
