

# Elvis Presley, Kissin' Cousins

Well I've got a gal, she's as cute as she can be  
She's a distant cousin  
but she's not too distant with me  
We'll kiss all night  
I'll squeeze her tight  
But we're kissin' cousins 'n that's  
what makes it all right  
All right, all right, all right  
Oh I've got a girl and she taught me how to live  
She can give a lot and she's got a lot to give  
We'll kiss all night  
I'll squeeze her tight  
But we're kissin' cousins 'n that's  
what makes it all right  
All right, all right, all right  
Yes we're all cousins, that's what I believe  
Because we're children of Adam and Eve  
I got a girl and she wants a lot of love  
That's the kind of trouble I need plenty of  
We'll kiss all night  
I'll squeeze her tight  
But we're kissin' cousins 'n that'll make it all right  
All right, all right, all right  
We'll be kissin' cousins that'll make it all right  
All right, all right, all right  
Yes we're all cousins, that's what I believe  
Because we're children of Adam and Eve  
I got a girl and she wants a lot of love  
That's the kind of trouble I need plenty of  
We'll kiss all night  
I'll squeeze her tight  
But we'll be kissin' cousins 'n that'll make it all right  
All right, all right, all right  
We'll be kissin' cousins that'll make it all right  
All right, all right, all right  
We'll be kissin' cousins that's what makes it all right  
All right, all right, all right
