Elvis Presley, Let It Be Me

"god bless the day I found you I want to stay around you And so I beg you Let it be me

Don't take this heaven from one If you must cling to someone Now and forever Let it be me

Each time we meet love I find complete love Without your sweet love What would life be

So never leave me lonely Tell me you'll love me only And then you'll always Let it be me

Each time we meet love I find complete love Without your sweet love What would life be

So never leave me lonely Tell me you'll love me only And then you'll always Let it be me "
