

# Elvis Presley, Love Me, Love The Life I Lead

(Words & music by MaCauley - Greenaway)

I am not a wise man neither am I a fool  
But what I am the way the good Lord made me  
Though I need you more than you may ever understand  
I can't wear a face that will betray me

Oh, If you're gonna love me, love the life I lead  
Need the things I need, don't try to change me  
If you're gonna take me, take me for what I am  
I can't be another man, I can't be free  
'Cos The life I lead is the life I lead

Money in my pocket never seems to last too long  
I've gambled on the way and drowned my sorrows  
Though God knows I can't pretend it's better on my own  
I can't promise you a new tomorrow

Oh, If you're gonna love me, love the life I lead  
Need the things I need, don't try to change me  
If you're gonna take me, take me for what I am  
I can't be another man, I can't be free  
'Cos The life I lead is the life I lead
