## Elvis Presley, Mean Woman Blues

(Claude DeMetrius)

I got a woman, Mean as she can be I got a woman, Mean as she can be Sometimes I think She's almost mean as me

A black cat up and died of fright 'Cause she crossed his path last night Oh, I got a woman Mean as she can be Sometimes I think She's almost mean as me

She kiss so hard, she bruise my lips Hurts so good, my heart just flips Oh, I got a woman Mean as she can be Sometimes I think She's almost mean as me

The strangest gal I ever had Never happy 'less she's mad Oh, I got a woman Mean as she can be Sometimes I think She's almost mean as me

She makes love without a smile Ooh, hot dog that drives me wild Oh, I got a woman Mean as she can be Sometimes I think She's almost mean as me
